HOW TO PLAY

- Games consist of (2) two teams of (2) two people. Partners shall stand at opposite cornhole boxes on the same side facing each other.
- Each cornhole team shall have 4 bags of one color and all 8 cornhole bags begin at one end.
- A coin flip will determine which team shall go first and from which side they will pitch from.
- The team who has honors will begin play by one of the partners throwing a cornhole bag at the opposite cornhole board.
- A cornhole player may throw from anywhere behind the front of their cornhole box, this is the games foul line, however the player must pitch from the same box for the duration of the game.
- Alternate throws between the two opponents until all 8 cornhole bags have been thrown.
- If a cornhole bag hits the ground first, then bounces up onto the board, remove that bag for it does not count.
- After all 8 bags are thrown, scoring is determined using Cancellation Format scoring.
- The next round starts when the other cornhole player on the team, which has honors, throws their first cornhole bag.
- The cornhole game continues until one team reaches or goes over 21.

*In the event of a scoring dispute, we follow ACA rules. Please have the scorer contact the registration tables.

EXAMPLE

Team A has 1 bag in the hole (3 points) and 2 bags on the board (2 points).

Team B has 2 bags on the board (2 points).

Team A is awarded 3 points and has honors to throw first in the next round.

CORNHOLE FOULS

1. A cornhole player's foot goes past the foot foul line (the front of the cornhole board).
2. Any bag that hits the ground and ends up on the board.
3. A Player goes out of turn.

When a foul occurs the result is removal of the bag from the board. If the bag hits another bag or knocks one in the hole, the hit bag shall be put back where it was before the hit.

SCORING POINTS!

The score shall be taken after all cornhole bags have been thrown for a round/inning. All games are played to 21 points. The first team to reach 21 is the winner.

NOTE: THERE WILL BE A 20 MINUTE MAXIMUM TIME LIMIT PER GAME. The team with the most points at the end of 20 minutes will be declared the winner even if the score of 21 is not reached.

- 3 points for a cornhole bag that goes through the hole.
- 1 point for a cornhole bag that is on the playing surface.
- 1 point for a cornhole bag that is hanging into the hole.
- 1 point for a cornhole bag that is hanging off the edge.
- 0 points for a cornhole bag that is on the ground.

TIEBREAKER

- If team 1 and team 2 in a bracket win 2 games each, but one of those teams (team 1) has beaten the other tying team (team 2), then team 1 automatically advances.
- If however the two tying teams did not lose to each other, then the team with the greatest point differential will advance. So if team 1's record is 21-10, 21-15, 15-21 and team 2's record is 21-10, 21-13, 19-21 then team 2 advances because their differential is 17, and team 1's differential is 11. The larger winning differential advances in this situation.
